KOSHER CERTIFICATE FOR KENYA NUT COMPANY

This is to certify that I, Rev. Dr. Z.H. Amit, inspected the Kenya Nut company Limited of P.O Box 1369, Thika, Kenya today and have found their Nuts products to be Kosher. All their Nuts are processed with no additives except for salt and are Parve.

In my inspection of the Factory on their premises in Thika I found that from the time of arrival of the nuts at the plant, until packed and ready for shipment, there are no non-Kosher ingredients used either during processing of the nuts, or in the washing and cleaning of the factory's equipment.

This Kosher Certificate is effective until June 30th, 2019 and to be renewed annually.

REVEREND DR. Z.H. AMIT
