DOCUMENT TITLE: FOOD SAFETY POLICY

DOCUMENT NO: MGT-FS-POL-001

ISSUE FIVE

Kenya Nut Company (KNC) Ltd is committed to produce, process and distribute safe products to all our customers and consumers. To achieve this, we have developed a Food Safety Management System based on ISO 22000:2018

The active implementation of this system lies with the Management Representative, Food Safety Team Leaders and the Food Safety Teams at the Factories. It is the responsibility of the Board and specifically the Managing Director to ensure that all the required resources are committed towards implementing and maintaining this System in all the relevant functions.

We shall communicate to all our external providers, Staff, Customers/ Consumers and other relevant interested parties on their roles, contributions and requirements in ensuring that this system achieves its objectives of assuring safe products.

KNC shall comply with all applicable food safety laws and regulations in Kenya, related Company Corporate Policies as well as mutually agreed customer requirements.

The Food Safety Team shall develop and review objectives for the Food Safety System. This policy and the entire Food Safety system shall be reviewed periodically to ensure their suitability in meeting the objectives.

KNC shall apply a risk-based approach in our endeavor to continually maintain and improve efficient and effective Food Safety Management System.

KNC shall continually ensure that personnel working within the Food Safety System shall have adequate competencies in their specified roles.
