

QMS POLICY

DOCUMENT TITLE: QUALITY POLICY

DOCUMENT NO: MGT-QMS-POL-001

ISSUE THREE

Kenya Nut Company Ltd is committed to delivering quality nuts (raw and value added), edible oils, breakfast cereals, tea and coffee, chocolates, wine & distilled spirits, meats, dried fruits, corn snacks and cereals & legumes to our external and internal customers throughout the value chain from procurement until sales and all the associated support activities.

Our key goal and objective shall be meeting and exceeding our customers' expectations in providing quality products and associated services. As such we shall be setting and periodically reviewing the objectives in all our units.

In our endeavor to maintain and continually improve on our Quality Management System, we shall apply a risk based approach that ensures the system is not only efficient and effective but also meets both regulatory and ISO 9001:2015 requirements.

This policy will be communicated and applied to all units of the company as well as all the relevant interested parties, as appropriate.
